Pool trespassing issue
7 kids jumped fence, three were in the pool. Police dispatched @11:30pm. Over the course of three hours all parents were rounded up.
Brett Short, Dan Stone and Jason Heck meet with all parents. Parents were warned that if this happens again formal charges will be pressed on all offenders. Jason Heck spoken with responding police officer.

Clays Mill corridor grant
Held off on planting due to late spring cold snap. Then delays in tree availability and dry weather. Jason is concerned about spending too much on water. Waited until fall.
Tree planting to start in September, north entrance first then south entrance. Would like to use water from neighbor's houses. Irrigation system would cost over $6000. Water truck is $300 pre trip. Pay residence $40 a month. Should only need two months of use before rain season.
Board votes, Yes.

Nextdoor
City is considering using Nextdoor for city emergency alerts. Lost children, violence/APB and the like.

Front entrance
Eddie Demarcus with Boyle Monument is donating his time and resources to repaint the entrance sign logo and lettering. Only request for doing the work is mention in an email.
Acaia landscaping had leftover sod from another job. They've donated the sod and workers time to fixing the eroded grass in the front center island.

Second family living at 1457 Copper Glen?
Jason has received two complaints that the owners at 1457 Copper Glen as sub-leasing/renting their basement. Jason inquired but was told it's a live in friend that helps watch kids. Dan knows the family and has been told the same.

Security cameras as result of Pool Trespassing

Facilities is talking to vendors about camera system. Radio Electronics and Bates Security. We'll report back to the board when we have compiled quotes on cost.

Maintenance
Sidewalks need repairing. Dan is getting quotes on cost.
